

**Berkshire Pulse** is a non-profit organization, and tuition covers only 60% of our operational costs. Our commitment to accessibility is facilitated by a Tuition Assistance Program that serves 25% of our student body. Berkshire Pulse relies on community support to maintain this fund and our financial stability—via major donors, foundation grants, local businesses and banks, families and individuals.

Please consider making a donation. Your gift supports our mission to serve the Berkshire regional community with diverse and accessible programming in the performing arts.
